## YOUR MRI APPOINTMENT

Thank you for choosing OAM to meet your imaging needs. The instructions below will ensure that your study is done promptly and safely. We appreciate your cooperation.

1. Make sure to arrive at least 15 minutes before your scheduled appointment time.
2. Bring either a **card** or **documentation** if you have **stents** or **other internal devices**. Please present this information to the Front Desk upon arrival.
3. We **CANNOT** perform your study if you have a **defibrillator** or **pacemaker**. Please let us know if you need assistance scheduling your study at a hospital.
4. Wear clothing that does not have zippers, spandex, or metal. Do not wear jewelry. Remove any electronic devices (i.e. cell phone) prior to your study.
5. Please be advised you must remove colored contacts prior to the start of your exam
6. Please make sure your paperwork is filled out and complete prior to your arrival.
7. Please be aware that we do not have a restroom in the MRI Suite. Please use the facilities in the lobby prior to your appointment.
8. Although our MRI is spacious it is considered a "closed" MRI. We are glad to show you the equipment prior to scheduling your appointment.

**Please let us know if there is anything, we can do to make your study more comfortable.**
